**Held at the Noblesville Pilgrim Holiness Church  
Noblesville, Indiana**

## **Session One**

**Friday, June 19, 2020– 7:00 p.m.**

The Fifty-Fourth Annual Conference was called to order by Rev. Don Nichols, Conference President. President Nichols started the 2020 Conference by calling Rev. James Southerland to stand and lead the assembly in prayer. An earnest time of prayer ensued with everyone sensing the presence of God.

When prayer was concluded, Rev. Paul Gray led the congregation in a medley of songs including, “It is No Secret” and “Fear Thou Not.”

Rev. Don Nichols thanked the ministers and delegates for coming and briefly challenged the assembly to be earnest in the work of God. The time is short and we cannot afford to be negligent.

He also recommended that the churches unable to have annual meetings because of Covid-19 keep their church officers the same.

The Conference was called to order at this time.

- The Conference Secretary read the roll call for the ministers and delegates.

Bro. Bryan Line gave the report. A motion was made to accept the report. The motion was supported and passed unanimously. Appreciation was expressed to Rev. Line for his hard work. The Treasurer's job is certainly a challenge.

- Rev. John Zeigler was called to read the **Youth Director's Report:** A motion was made, supported, and passed to accept his report. Rev. Zeigler received a standing vote of thanks for his 23 years of service to our youth department. It was with a sense of sadness that we received his last report, as he will not be allowing his name to run again.
- Rev. Paul Gray was called to the podium to give the **Conference Camp Treasurer's** report. (Prior to the report, the auditor's statement was read by the Conference Secretary. A motion was made to accept the statement of the auditor. This was supported and passed.)

## **Session Two**

### **Saturday, June 20, 2020 – 10:00 A.M.**

The second session of the Fifty-Fourth Annual Conference was called to order by Rev. Don Nichols, the Conference President. President Nichols started the second session by thanking everyone for attending in spite of the inconvenience.

- Rev. Craig Dahler led the assembly in prayer.
- The congregation joined in the hymn "In the Sweet By and By."
- Rev. Nichols delivered a brief challenge to ministers on the frustration of dealing with people. He reminded us that what Satan means for evil, God sometimes means for good. We shouldn't be discouraged in our calling for, God is keeping

the records and will reward us accordingly. We should strive to be exemplary in our character and conduct.

- The Secretary conducted the Roll Call for the ordained and licensed ministers.
- The Secretary conducted the Roll Call for the delegates of the churches.

A voice vote was taken on the first resolution and it passed unanimously. A voice vote was taken on the second resolution and it did not pass.

Ed Cook from Country Pines Printing blessed our organization with extra copies and we want to take advantage of this opportunity.

Rev. Don Nichols our Conference President dismissed with prayer.

Respectfully submitted,  
Rev. Timothy R. Forsee  
Conference Secretary

Be it further resolved that each pastor reminds his church of their obligation in fulfilling Conference Standing Rule 20 above, and that each church feels their responsibility in tithing their regular tithes and offerings into the Conference for the support of our Conference President.
25. Be it resolved that we recommend the "Employee's Earning Record" found in the B. J. Worth Income Tax Law for Ministers or any other acceptable method, be used by our Conference President, or any other Conference minister desiring to do so. This will allow proper reimbursement of professional expenses.

(II Tim. 3:16, & I Tim. 4:11), which states, “These things command and teach.” Therefore, we encourage our ministers and laymen to accept this Biblical interpretation as their standard of practice. (I Timothy 6:3-5)

## **DISCIPLINE SUPPLEMENT SECTION**

1. Be it resolved that the Dominican Field Committee is directed to function under the guidelines passed by the Council and this Conference. This will give

time to study the contents of said articles. June 1987.

2. Page 41, # Seven, be amended to read “To elect the Attendance Statistician, Conference Statistician, and Youth Director.” July 2002.
3. Page 44, #111; Par. 1, be amended to read: “If for any reason the Conference Vice-President does not accept the office of Conference President, the Council has the right to fill the vacancy until the next Annual Conference by a two-thirds majority vote.” July 2002.
4. Be it resolved, that the words of paragraph 17 of #72 on page 30 in the 2000 Pilgrim Holiness Church Discipline under the heading of “Administrative Duties,” be changed to read as follows: “The board shall not permit fairs, festivals, nonreligious dramatic exercises, so-called socials, or anything of like nature, to be held in connection with the church or any department of its work.” July 2005.
5. Be it resolved, that the following statement, lifted from the Conference Communique, recorded in the 2002 Minutes, page 30, “Dresses are to be well below the knees when sitting or standing and are not to be excessively form fitting or have low neckline or splits,” be added, and the words “sun suits” be deleted in the Discipline under Section II, Item 49, page 22 of the 2000 Discipline. July 2005.
6. Be it resolved, that item “F” be eliminated under Item 107, Conference Officials, Page 43, from the 2000 Pilgrim Holiness Church Discipline. It reads as follows: “No full-time evangelist shall be elected to the Conference Council.” July 2005.
7. Be it resolved, that the following provisions be added to Item 97, Page 38, Section 4 under “Withdrawal of a Local Church.” To affect said withdrawal of a local church the following requirements shall be met:
  - A. A written notification of the intent of the church signed by the secretary shall be sent to the Conference President.
  - B. The Conference President, upon receipt of the letter of intent, shall arrange a meeting within 30 days, with the church at a duly called meeting of the church membership to ascertain the grievance and attempt to bring about a resolution to the matter in the spirit of reconciliation as set forth in Matthew 5:23, 24 and Matthew 18:15-17. July 2005.
8. Be it resolved, that the 2000 Pilgrim Holiness Church Discipline, Section 4, Paragraph 77, Page 31, Treasurer be changed as follows: The treasurer shall have the custody of the finance of the church, and make disbursements only as directed by the local church board; shall keep accurate books of account; shall sign all checks given by the church; shall give a full monthly report to the pastor and local board; SHALL PROVIDE THE CONFERENCE PRESIDENT

A COPY OF THIS REPORT UPON REQUEST; and shall perform such other duties as are usually incidental to the office. Money raised for special purposes may be received and disbursed by special committees, provided the local church so directs. All money, or pledges, raised by missionaries or religious workers representing Conference interests shall be taken in charge by the local church treasurer and sent through the Conference Treasurer to its proper destination. Upon replacement he shall provide his successor with all records, checkbooks and other documents associated with this office. June 2008

9. Be it resolved, that the 2000 Pilgrim Holiness Church Discipline, Section 5, Paragraph 139, Page 54, AUDITING REQUIREMENTS FOR CONFERENCE FUNDS be changed to read as follows: The Council shall establish and maintain standards for the handling, recording, disbursement, reporting, reviewing, and auditing of all Conference funds. The Council shall procure the services of an accountant to whom all treasurers' records shall be delivered not less than annually. All treasurers' records shall be submitted to the accountant in a timely manner as directed by the Council. The accountant shall verify these treasurers' records in accordance with the standards the Council has established and shall make a report of the findings to the Council and the Annual Conference.

This is what this provision would address:

1. This provision acknowledges that the ultimate responsibility for all finances lies with the Council. This is not a new responsibility. This acknowledges a responsibility that the Council has always had.
2. The Council is required to create and maintain standards for all aspects of the handling of all Conference funds. The Council sets the standards to which the treasurers keep their respective books. Again, this is not a new responsibility. This provision acknowledges a current responsibility.
3. It continues the current requirement that a single accountant review all the records.
4. It continues the current requirement that the accountant report to the Annual Conference, not to the treasurer.
5. The requirement that the treasurer's records be delivered in a timely manner continues, but the new wording allows the Council to determine the timing.
6. The Council has the flexibility to decide how they want the records to be reviewed. Since the report is to them, they should be able to decide what they want done. The legal requirement for a tax-exempt organization has four parts:
  - a. The governing body established standards for handling and reporting of funds.

- b. The organization tells the public how those standards are created and followed.
  - c. The organization follows the standards they created.
  - d. The standards are shown to be prudent and reasonable.
7. The Council can decide to audit any of the treasurer's records at any time. For instance, they may choose to do a full audit on all books every five years, or to do a full audit on the records of a fund when the treasurer is changed.
  8. This provision allows the Council to improve and upgrade our accounting standards as commonly accepted accounting practices change, or as changes in law require changes in accounting. June 2008
  9. Be it resolved, that the 2000 Pilgrim Holiness Church Discipline, Section 4, Page 38, add, 98. LOCAL CHURCH EXPERIENCING DEPLETED MEMBERSHIP, and the following paragraph: "A local church who has lost its organized status, according to Section 4, Paragraph 96, Page 38 of the 2000 Pilgrim Holiness Church Discipline, may be declared a home mission church. The Conference, through the Conference President, Conference Council and Trustees, shall attempt to keep the church open as a home mission church. Should such efforts fail, the Conference Council, after consultation with the remaining local members, shall determine the future of the church and its assets under not-for-profit legal guidelines. Council actions shall be reported to the next Annual Conference." June 2008

## **POLITY STANDING RULE**

“We feel it is important to issue a strong warning regarding the potentially dangerous misuse of subtle evil in portions of today’s electronic technology; including Films, Videos, DVD’s, certain areas of the Internet, some computer software, and any future developments in technology that could be similarly abused.”

In our Church Covenant we have entered into a covenant with each another as one body in Christ:

- To shun the paths of sin and walk in the ways of righteousness and true holiness all the days of our lives;
- To avoid singing, reading, or viewing those things which tend to lessen our love God.
- This would include many films, videos, DVD’s, or computer programs that are available in this day.

“Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of a good report; if there be any virtue, and if there be any praise, think on these things.” (Philippians 4:8)

We are indeed living in a different day, however, we believe the abuse of modern-day technologies for worldly amusements and pleasure purposes, violates the traditional position of the Pilgrim Holiness Conference, since it exposes our people to the subtle control of the enemy.

May we strive to a deeper study of God’s Word, a more fervent prayer life, and at all times be examples of Christ.

# **Conference President's Report**

## **June 19, 2020**

Conference Vice-President, Rev. Mark Arnett, Members of the Conference Council, delegates, and friends:

It is a high honor for me to address you today, though in a format much different than what we normally expect, though some have told me that they wished that our Conference was separated from Camp every year. Whatever, I am so glad we can meet here in the beautiful sanctuary of the Noblesville PHC. Thank you, Rev. John Forsee and your good people, for hosting us here this weekend. We appreciate your generosity and hospitality.

I want to give God praise for helping our Conference through another church year. Most of our pastors have done their best to minister to their congregations even though the church doors could not be opened for public worship. Those who have been webcasting their services had a jumpstart on the rest of us, as it was easy for their people to tune in to services. Others held services over the telephone or through FM radio transmitters to the church parking lots. Some had outdoor services at the church or in Upland, IN, Rev. Hull preached from the front porch of a farmhouse belonging to a parishioner. In many cases more people have been touched by the Gospel by these various means than would have been touched by the churches without a pandemic. Romans 8:28 is a reliable Scripture for God's people in any circumstance.

I am honored to have served as your Conference President for the past four years. Time seems to be moving unbelievably quickly as Ruth and I traverse the country attending events, visiting churches, conducting Annual Business Meetings, Council Meetings, and trying to represent the Conference. God has been so good to us and you have been welcoming and gracious, making it a joy to serve you in this capacity, unworthy as we are.

Here is a sketch of my activities for the Conference during the past year:

### **May**

- I was honored to officiate at the funeral of our dear brother, and fellow minister, Rev. Harold Jackman. I had known him since childhood, and always had so much confidence in him. He prayed with me many times as I sought the Lord at the altar, and was such an encouragement, as well as a powerful man in prayer. I look to meet him in Heaven.
- Locally, I joined with area leaders to offer a prayer at our National Day of Prayer observation gathering at the UNOH Center.
- I met with the Educational and Examining Board at the Noblesville PHC. Made sure that Dr. & Mrs. Bubb were comfortable at the motel. I led the Ministerial Services, enjoying Dr. Bubb's positive, passionate appeal to follow the Scriptur-

al directive for elders. Our hearts were blessed by the music ministry of Rev. & Mrs. John Whitaker. The fellowship meal was a time when all of us as pastors and spouses could sit down and fellowship together. The fasting and prayer time coincided with the National Day of Prayer, and Rev. Don Raines did a splendid job of putting together the program of prayer and leading it. The devotional messages by Rev. Bryan Line (Fallow Ground) and James Southerland were exceptionally good as well. I appreciated the help of our Vice-president with platform duties in each session. He and his wife helped us with the entertainment of our workers as needed. The Council met to consider the budget and considered Sis. Leanne Zeigler's suggestions for camp jobs. Pastor and Mrs. Forsee and the Noblesville Pilgrims did a great job of hosting the convention. Ruth and I left the convention thankful for the help of the Lord.

We left the Ministerial Convention and drove to Adrian, MI, and cheered as some of our students from Pilgrim Christian School were honored at the ACE Regional Student Convention.

We drove on up to Marion, MI, and greeted Pastor and Mrs. West and held the Annual Business Meeting. We then went to Mount Pleasant to the Bob Evans Restaurant and had dinner with Pastor and Mrs. Newport and some of the people of the Shephard Church. Don and Fayrene Walden, met with ministry students, giving them Conference information, a small gift (25 \$10 Dunkin Donut Cards given out) and encouraging them in their pursuit of education to fulfill their calling. We provided drinks and cookies on behalf of the Conference for the Ministry Student Forum.
- Provided food and with the help of Jerry and Becky Glick set up and hosted a fellowship of the Pilgrims that were from Hobe Sound or attending the camp. 31 people enjoyed finger foods, desserts, and fellowship. We thank Sister Ruth Hart for securing permission to use the room. I shared news of the Conference, showed pics of the work going on in the Caribbean. Requested prayer in our search for pastors. We had prayer together. Shannon Rose and her daughter helped bag the leftovers. We gave them to students nearby.
- Received a call from Rev. Dotson with a report of the services at Maryville, TN, PHC. He also informed us of the hospitalization of Sis. Nuchols. We ordered a floral arrangement to be sent on behalf of the Conference.

Made several calls to make sure a Council Member could attend the funeral of Bro. Johnson, charter member of the Bicknell PHC. Rev. Paul Gray was able to go. Shared condolences with Rev. Richard Spalding. Checked on Sis. Nuchols. Contacted Caleb Zeigler to see about him coming to Lima as Youth Pastor and his wife-to-be teaching in our school.

- Worked on messages for the Leadership Conference in Dominica and the Spiritual Life Conference on Antigua.
- Talked with the bookkeeper at the Bradford PHC and made arrangements for a transfer of the books.
- Ruth and I flew out of Columbus to Newark, NJ, meeting the Dahlers there, and flying on to Dominica. We were met at the airport by Rev. Michael Warrington who took us to the mission house at Gleau Gommier.
- We spent some time shopping the next day and preparing for the Annual Assembly and Leadership Conference.
- On Friday night we had half-a-dozen show up in time for a service, so we met in the living room of the staff house since we had no access to the church and electricity is not working there. We sang and had prayer and I spoke on *Why God Used Gideon*.
- On Saturday morning I chaired the Annual Assembly, receiving the reports of the officers of the Field Committee and pastors, after preaching to them on A

*Soldier For Jesus Christ.* Rev. Laurent Bruno was re-elected Field Chairman on the second ballot. Rev. Jacob Lockhart was re-elected Secretary on the second ballot. Rev. Eric Baptist was elected Treasurer on the first ballot. The rest of the pastors round out the Field Committee. I gave gifts to all the pastors and assured them of our prayers.

- On Sunday, we were transported by the mission van to the church at Petite Soufriere. Dr. Dahler preached the morning rally service. We had lunch on the grounds. My wife spoke to the WOW ladies there. Then we had the Service of Dedication in the afternoon. It was great to see the joy of the pastor and people as we dedicated the church to the Lord for His great honor and glory. Thanks to all who gave to make this possible. Back at the staff house I texted with pastors in the states trying to set up annual meetings.
- Monday, Dr. Dahler and I spoke in two morning sessions and again in sessions after lunch. We closed the Conference by common consent since most could not stay for sessions on Tuesday. Dr. Dahler and I met with the Field Committee Chairman and a couple of the other preachers as challenges on the Island were discussed. I called Rev. Lonny Dunn to see how his wife's back surgery went. We are thankful that all went well. I posted some Conference prayer requests online and called it a day.
- Tuesday, we tried to meet with some of the local Belles' folk and the pastor that had not shown up for the Assembly or Leadership Conference. He has had some physical battles and is struggling. Had flowers sent to Sister Dunn. We prepared to be taken to the airport to fly to Antigua the next day. I called Bro. Roll, who is in the states for a funeral, and updated him on the events of our stay on Dominica.
- We were met at the airport at St. John's, Antigua by Brother Ashtan Seraphim. He took us to Burger King for lunch and then we shopped for supplies for the weekend. The next day I called to check on Sister Dunn, Bro. Keith Gibson, and Sister Nuchols, while Ruth called to check on Sister Sannes. We are thankful for the Lord's help, though Sister Nuchols is gravely ill. Since Dr. Dahler had not been feeling well, I preached the first night of the convention on *The Strait and Narrow Way* from Matthew 7. Three hands were raised for prayer.
- On Saturday morning I spoke in the second session on *Christian Community*. We had an Antiguan breakfast, and then I spoke in the second afternoon session on *Divine Love*. We had another meal with the people of the church. I received a call from Sister Dotson that Sister Nuchols had slipped off to Heaven. Brother Ashtan offered to take us to do a bit of sight-seeing, so we decided to go out to the Devil's Bridge. After viewing the sights there, we stopped and got some ice cream, paid for by a man that was at the ice cream parlor, with whom I struck up a conversation. Turned out he had lived in New York and was an electrician. He offered to help with electrical work gratis.

- After Sunday School taught by a local schoolteacher, I preached on *Sanctified Laymen* during morning worship.
- Ruth spoke to the ladies after a late lunch and gave them gifts. Afterward we took pictures and visited with the people. It was different without the Rolls there to entertain us, but it was a joy to be with the people and labor alongside Dr. and Mrs. Dahler.

### **March 2020**

- We were thankful for safe flights home on Monday, arriving home about 2 a.m. Tuesday morning.
- Held Annual Business meetings at Indianapolis and Muncie. Rev. Austin Line entertained the Southerlands and us to lunch following the meeting.
- Ordered a floral basket from the Conference for Marie Nuchols' funeral.
- Spent time scheduling Annual Meetings. Sometimes it is a real challenge.
- Took Ruth with me and picked up the Garners in Bradford, OH, and entertained them to dinner at Logan's Steakhouse. After getting back to drop them off at the parsonage, I asked to speak with him at the church and shared with him the challenges faced by the church there. The Garners will be moving soon. We wish them the absolute best and trust that God will give Sister Garner a physical touch.
- Dropped off a congratulatory floral for Emily Jessup on the birth of their third son. Went on to Noblesville and attended a Youth Camp Committee Meeting in the FLC.
- Held the Annual Meeting at the Austin, IN, PHC. Fellowshiped with the Browns afterward at Cracker Barrel before driving on to Evansville and spending the night in the "prophet's chamber."
- Entertained the Jackman family to a delicious meal at a Chinese restaurant. Met with the Local Board of the Evansville PHC and chaired the Annual Business Meeting. We spent another night in the "prophet's chamber." Thanks, EPHC! That saves the Conference some money!
- Drove to Corydon and met with the Local Board, then chaired the Annual Business Meeting. The Arnetts entertained us to lunch at Culevers and we quickly headed home to help our granddaughter, Kaitlynn, celebrate her 16th birthday.
- Caleb Zeigler and Autumn Quesenberry came to minister at Lima on Sunday. They sang well together, and he did a good job of preaching. We showed them our facility and entertained them to lunch at our house, talking about what we would like to have them involved with here.
- Held the Annual Business Meeting at Bicknell, IN, PHC. I preached to them and shared Conference news.

- Entertained Rev. & Mrs. Pickett to lunch at the Mason Root Beer Stand in Washington, IN. We stayed in our own cars with the window down to social distance. Drove on to Vincennes, IN, PHC, and met the Board and chaired the Annual Meeting. Drove on to Decatur, IL, and spent the night in a motel. Ordered flowers for the visitation of Rev. Donald Newport's father and called Brother Newport to share condolences from the Conference.
- Called Rev. Mark Arnett to share a pastoral opinion poll. Then met with the pastor at Decatur before meeting with the Local Board and conducting the Annual Meeting. As usual I preached to the people and shared Conference updates.
- Wrote a letter on Conference stationary, on behalf of PVBI, recommending accreditation, as we count on the conservative Bible Institutes and colleges to help provide ministry personnel.
- Filed a statement of Continuing Existence for the Bradford PHC as the old one had expired several years earlier.
- Discussed with Council the idea of suspending the rules of the Discipline concerning Annual Meetings and elections due to the Covid-19 shutdown. Council requested that I not schedule meetings as they did not want me to subject myself to the virus nor carry it to others. We will try to ride the situation out and deal with any problems associated with it during Conference.

## **April**

- Shared an opinion poll with the pastor; called to check on the Frankums. They are weak but the treatments are going surprisingly well for which we give God praise.
- Discussed with Phil and Rhonda Foley the plans for camp and the challenges of the Covid-19 regulations. We will wait and see how things go, what the CDC recommends, and civil authorities require.
- Wrote a letter to the ministers of the Conference and put together the mailing.
- Rev. Lonny Dunn called with word that his dear mother had died.
- Rhonda Foley called with news that the City of Frankfort had cancelled all city summer activities due to liability insurance challenges.
- ordered a floral display for the Dunn funeral.
- Ruth and I attended the "drive-in" funeral of Sister Hellen Ruth Dunn, at a funeral home in Frankfort. A committal was done with attendees in their cars at the cemetery, but the casket was opened for a drive-by viewing as we were exiting the cemetery.
- It was incredibly difficult to have to cancel Youth Camp and Family Camp as we know it. We tried to schedule the Youth Camp later in the summer, but staff could not switch days off work to be available. We decided to do a mini-camp

IHC style in July, and Rev. Bryan Line offered the use of the church at Kokomo. Mileage for April was 2,464.

I want to thank my wife for her help in travel, arranging schedules, booking motels and flights, and promoting the Conference. She has arranged her teaching schedule to accommodate almost all my travel. I thank my Assistant Pastor, Bro. William Spencer, for his help in preaching and leading services when I have been away. I thank the Local Board of the Lima PHC for their understanding and support of our Conference work. I thank the staff of Pilgrim Christian School, and especially my daughter, Stephanie Burley, for helping with my school responsibilities.

Thank you for your prayers and encouragement. I count it an honor to serve the Lord and the Pilgrim Holiness Church Conference. May God bless each of you as together we serve God and His Church.

Respectfully submitted,  
Donald Nichols, Conference President  
Pilgrim Holiness Church, Inc.

# Conference Missionary Representative's Annual Report

President Nichols, VP Arnett, Conference Council, delegates, and friends,

I hereby submit my annual report regarding activity relative to my responsibilities as Conference Missionary Representative. Once again, it has been my privilege to serve the Midwest Pilgrim Holiness Conference in this capacity.

I would like to give special thanks to our wonderful missionaries who serve willingly and faithfully in Antigua and Dominica. We extend heartfelt gratitude for your sacrificial labors of love to the Caribbean's who call you pastor, missionary, and friend. Your devoted service is noticed and appreciated both by those you serve on the field and those who pray for you at home. Only God can keep accurate records and will one day pass out the rewards you truly deserve.

Remember that what is unseen on earth is always noticed and recorded in heaven. Thank you for your time, talents, and treasures sacrificially given to see the kingdom advanced.

I also want to thank the Mission Board for your combined contributions in lending suggestions, giving solid direction, and showing interest in seeing Pilgrim missions continue its long historic heritage and future forward advancements. Thank you, President Nichols, Treasurer John Forsee, Bro. Don Raines, Bro. Gary Hopkins, and Bro. Dan Boardman for your investment in our mission's department.

In review, what a joy to again visit the field with my wife along with Bro. And Sis. Nichols in February and March for the annual Leadership Conference in Dominica and then on to Antigua for the Spiritual Growth Conference. Due to a serious unforeseen family situation, the Rolls had to come back to the states during that time. In spite of their absence, we fulfilled our responsibilities of sharing the speaking and instructing on The Spiritual Gifts. The threefold purpose was to 1). Discover, 2). Develop, and 3). Deploy our God-given spiritual gift(s). And, as always, it was fantastic being together with our dearly beloved native brothers and sisters.

It was a special treat to share in the dedication service of the newly built church at Pete Soufriere. It would have been worth the trip just to hear the joyous testimony of pastor Lockhart as he shared the truth of God's faithfulness to him and the congregation there.

As for the other churches, the long-awaited rebuilding after Hurricane Maria has seen all five of our congregations returning back to normal and experiencing a renewed move of God and sense of revival while recovering from the devastation and loss. Faith and faithfulness have been restored and hearts regenerated still giving us reason to press forward. Praise be to God!

We all know that this year has been an unusual one for everyone, not only at home but also on the fields of Dominica, Antigua, and the Philippines as the pandemic inflicted and affected our worship style and tested our faith. As the whole

world seemingly came to a halt, churches being unable to meet as normal and congregations learning to employ social distancing the work of God had to go forward. Though travel plans were put on hold and mission news was advanced via the computer until personal visits were reinstated once again, we patiently waited until meeting together was permitted again and our traveling could return to being somewhat regular.

We have found that trying to raise needed funds and inform our people has been a challenge, to say the least. Challenging, yes, but it has not been impossible. Understanding that without Conference, Camp, and the annual Saturday mission service not being conducted as usual our trust is that our local churches will not forget their regular pledging to support the continuing needs and responsibility to Pilgrim missions. While some have recently pledged their annual giving, I'm trusting that all will be reminded of their needed help. I recently stated to the Missions Board that our commitment is to:

1. Raise much needed funds for the general budget;
2. Supply the needed resources to rebuild the Dominica mission compound which consists of the parsonage, dorm reconstruction, and upcoming camp accommodations;
3. Prepare for the annual (work) Camp; and finally
4. Finish the Antigua parsonage project.

In closing, I want to say that as its been possible I've visited and represented Pilgrim missions among the conference churches. I've conducted Missions Board meeting (though some have been through computer conference calls). I've tried to be faithful to my position and lean heavily upon the Lord during these challenging times. I want to reaffirm my desire to do more than simply maintain what's been accomplished but make plans for grander goals in the foreseeable future.

I rest with the assurance that God has been our help in ages past and He's certainly our only hope for years to come,

Respectfully Submitted,  
Dr. Craig A. Dahler  
Conference Missionary Representative

## **PILGRIM YOUTH DIRECTOR’S REPORT CONFERENCE 2020**

**June 19, 2020**

Conference President Nichols, Vice-president Arnett, Council, Fellow Ministers, and Delegates; Greetings!

When the sun came up on Monday, June 15, 2020 I was at the local diner in my hometown instead of being at the Frankfort Camp Ministries pulling in any loose strings in preparation for PYC '20. The cars, vans, trucks, RVs, and buses didn't arrive. It was a terribly sad Monday. Covid-19 has disturbed our lives and changed our world.

Our 2<sup>nd</sup> Annual Fall Lock-In was held on September 20 at the Kokomo PHC. The Kokomo Church was in revival with Jerry Glick and Pastor Bryan Line consented for us to join them for their Friday evening service and then follow it with the Lock-In. The newly purchased facilities are beautiful and accommodated our activities nicely.

The 12th annual Lock-in was scheduled to be held on April 3, 2020 but had to

be canceled due to the Covid situation.

I chaired 1 Youth Camp committee meeting and organized the youth services at Family Camp '19. I represented Pilgrim Youth at Central Pennsylvania Youth Convention '20 in Beavertown, PA. I traveled a few hundred miles, made phone calls, corresponded by texts and emails, and mailed a few dozen letters. All my expenses have been reimbursed by the conference.

Bro. and Sis. Nichols, a simple thank-you is really inadequate to fully express my gratitude for your love and devotion to the youth and children of PYC!!! I suspect that you give much more than we can be itemized in a note printed in the Minutes. Your encouraging words, kindness, and thoughtful expressions seem to flow so naturally from you. Your effort and push for young people is worthy to be highlighted and recognized. While we don't see your sacrifices listed anywhere, one day we won't see with limited vision.

A big THANK-YOU to all the members of the Youth Camp Committee! Paul and Nancy Gray were members for many years prior to my election and continue to provide relevant thought and experienced wisdom to the committee as well as many hours of commitment to PYC. Committee member John Petty and his family have been faithful for many years to give hours of time in setting things up. Greg Burley and his family have provided many hours of help over the last 10 plus years. There have been SO many faithful helpers over the years.

Thank-you to my family for your support and encouragement across these 23 years. Thank-you for your willingness to sacrifice sleep and personal time to prepare for, set up, and tear down year after year. Leanne, Janae, Jonathan (Amberly more recently), and Caleb you have blessed me and made me proud of you time and time again.

Thank-you once again for the incredible honor to have been the Pilgrim Holiness Youth Director for another year. Thank-you for these 23 years. PYC flows in my veins as well as in the veins of my family. I've been honored to watch my children come up through PYC as campers and now as staff.

I've made more than my share of blunders and missteps; I've done my best to correct them. There have also been multiplied victories, highlights, and blessed times for which all I can say is "To God be the glory. Thank-you, Lord, for looking past frail humanity and visiting us."

Respectfully Submitted,  
Rev. John S. Zeigler  
Conference Youth Director

## **Pastor's Report**

### **Report of Local Receipts**

### **Report of Local Expenditures**

### **Report of Conference & Non-Conf. Expenditures**

### **Church Statistical Report**

### **Unstationed Ministers' Report**

Mr. President, Mr. Vice President, Mr. Secretary, Conference Pastors, and Delegates;

It has been my honor and privilege to serve the conference this year as statistician. The confidence bestowed in me by the conference is deeply appreciated. It has been a year full of both blessings and challenges. I am grateful for the strength and leadership of the Lord through it all. It is a joy to join you this year for conference after missing last year for the birth of our son. Thank you all for your many prayers on behalf of he and my wife, as I have no doubt that is only through prayer that both are now healthy and well.

The following reports serve as a compilation of the local church reports as submitted to me as of June 19, 2020. I would like to express my appreciation to Bro. Dan Plemmons for his help in coordinating the report submissions via the conference website. I also wish to express my gratitude to each of the local church officers supplying reports for the timeliness and accuracy of their submissions. This allows my role to be simply one of recording rather than accounting, which is very much appreciated.

The accuracy of this report is solely dependent upon the data submitted to me by the local officers and is meant to serve as a compilation of the local church submissions for general reference. While I have filed any and all submissions by the local churches for future reference if necessary, the local church should be consulted directly regarding specific details of the data and information submitted. Please note that any blank cell in the report designates a report was not submitted for that item, and any cell containing the designation "NR" signifies no report was provided for that item while other fields for the church are present.

Respectfully Submitted,  
Justin P. Jackman
