

From the Director

We live in a noisy world. There are many things that are calling for your attention. School and all of its requirements plus extracurricular activities, church services and functions, maybe you have chores/responsibilities at home (good job parents), some have big summer vacation plans, then there's hobbies that call for attention!! Then, when we include all of the social media ... Facebook, Instagram, Snapchat ... from what I understand, these can consume every waking hour and for some

every waking minute it would seem. Everyone wants to be connected and stay in contact, sharing minuscule details of life with whoever wants to follow them! Then you keep track of who liked it and how many liked it!! At the end of the day your brain is exhausted from all the things that call for your attention ... but did you receive any messages from God? Did you hear His voice? Did you take the time to listen? My prayer is that PYC '17 will give you an opportunity to slow down and take the time to Hear God's Voice in your Busy World!! Rev. Rodney Loper will have some very good things to help us Hear God's Voice! Come expecting to hear and determined to listen; bring a friend; see you there!!!!

—Rev. John S. Zeigler, Director
